---

**FORT BENNING** – Fort Benning will conduct prescribed burning today in several small compartments across post.

Today's wind today is predicted to be from the south and should keep smoke on the Installation and away from sensitive areas and neighboring communities.

For more information, call the Public Affairs Office at (706) 545-2238. After duty hours and on weekends, call (706) 545-2218.
